Dear Parents,

## Family in Need

We have a family in need and ask for your help. If you are able to send in any grocery items it would be greatly appreciated. These will be passed on to the family. If you are aware of any family that may need our support please let us know. This is all kept very confidential.

## Reports

The reports have been finalised and will now be emailed home on late Thursday afternoon. When you receive your child's report you will notice the format has changed slightly. The overall report is the same however the way Religious Education, Mathematics and English comments are now in point form. We are hoping this will make it clear as a snapshot of what your child has achieved and what they need to work towards achieving. We would value your feedback on this new format as we want the report to be one that allows you to clearly understand where your child is at with their learning.

## Year 5 Bathurst Excursion

Our Year 5 students are off to Bathurst on Thursday and Friday, we hope they have a wonderful time. We thank the teachers and parent accompanying them and giving up time with their families.

## School Disco

The school disco for this term is on Friday 28th June from 5:30 – 7.30pm and will be held in the school hall. There is no cost for this event. This is a parent organised and supervised event so parents must stay with their children.

## Parent Teacher Interviews

Online booking of Parent Teacher Interviews has now closed. If you have not yet booked your time and would like to do so please call the office on 43532922.

## Compass (Parent Portal)

Later this week you will receive an email with information about the Compass Parent APP and how to get it on your phone or other device. Compass will go live for parents from Monday 24<sup>th</sup> June.

## Head Lice

We have had some reported cases of head lice at school recently. Can you please check your children's hair and treat if necessary. The following information is from Health Direct.

***Head lice treatment***

Treating head lice involves the removal of head lice and nits from the hair by either using the conditioner and comb method, or chemical treatments.

The conditioner and comb method involves the use of conditioner and a special metal fine-toothed nit comb. The conditioner briefly stuns the lice making it easier for the nit comb to trap and remove the lice and nits.

If you decide to use a chemical, it is important that you follow the instructions closely that come with it. 2 to 3 chemical treatments with a week in between each should remove living lice. No single chemical treatment will work for everyone. A nit comb can be used to look for any signs of living lice.

For further information you can visit <https://www.healthdirect.gov.au/head-lice>

**Oval Update**

The sprinkler system has been repaired and the trees that need to be removed or trimmed will be done this weekend. We had hoped the oval would be returfed next week and were waiting on word from the contactor; unfortunately, he has been delayed at his current job and will not be available until next term. We are trying to choose the optimum time to have this work done as we want it to thrive. We will keep you updated.

Our next Cooking Class will be on Tuesday 2nd July at 11.30am in the hall after the Whole School Mass. Join us to learn how to make traditional spring rolls. I have been fortunate enough to have tasted these spring rolls and I highly recommend them. All welcome.

## Canteen News

Dear Parents,

### Cupcake Day Sweet Success!

Congratulations to everyone that participated in St Cecilia's Annual Cupcake Competition this year! The standard of skill and creativity just keeps getting better every time!

It was a great day for the children and nearly every cupcake was sold. Over \$200 in canteen vouchers were given back to the children as prizes and \$60 from the sale of the winning cupcakes was donated to the Cancer Council.

\*\*\*To use a canteen voucher prize for lunch orders, please write a manual lunch order with child's name and class clearly displayed and hand in to canteen/place in lunch order box in front of canteen. **Do not place orders via Qkr!**

I would like to thank everyone for their continued support of this community event.
