22nd October, 2019

Dear Parents,

Staff Development Day

Just a reminder that we have our Staff Development Day this Friday 25th October. There will be no supervision for students on this day.

Friday's Awards Assembly

Due to the Staff Development Day this Friday we will have our awards assembly next Friday the 1st November.

Headstart

Our first Headstart session begins tomorrow from 9 until 10.30am. All Kinder families for 2020 were emailed with full details. We are really looking forward to welcoming our new Kinder students for next year.

Year 6 Graduation

The Year Graduation Mass and dinner is on Wednesday 11th December. The Graduation Mass is at 5pm followed by the dinner at the Wyong Milk Factory Tavern.

Tickets for the parent meal are now available on QKR and are \$30 per person. Families are able to purchase one ticket per parent. If you would like to bring an additional adult please contact the school office and discuss it with me.

We are looking forward to celebrating this important milestone with you and our beautiful Year 6 children.

Year 6 Fun Day

We now have a date to add to the calendar for the Year 6 Fun Day. It will be on Monday 18th November.

Rain Jackets

If you have not yet done so can you please return any rain jackets you still have at home asap. They will now be embroidered with the school crest.

Labelling all Children's Items

With the weather warming up, children will take off their jackets and leave them around the school resulting in lots of lost jackets and jumpers. Can you please ensure your children's items are all labelled with their name so they can be returned to them. Thank you for your help with this.

Soccer Program

The Central Coast Mariners are running a soccer program for the whole school. This program will be run at school each Friday so all students will be required to wear their sports uniform on these days.

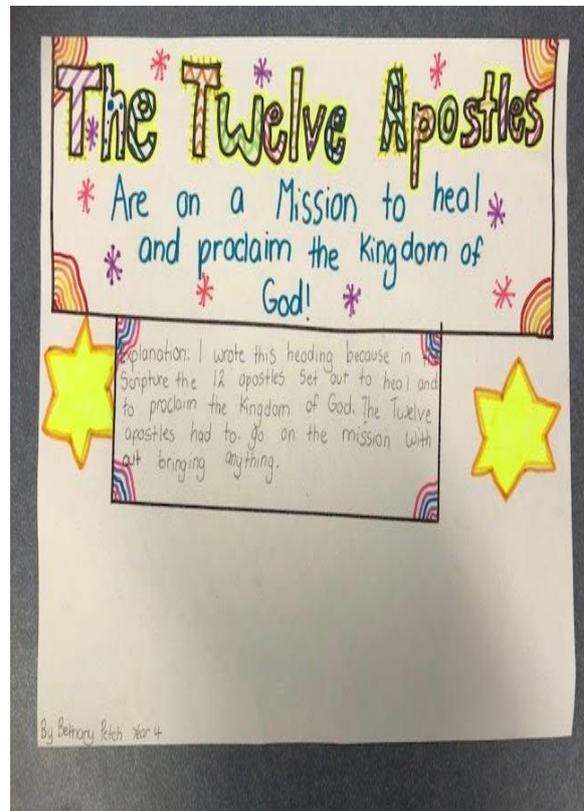

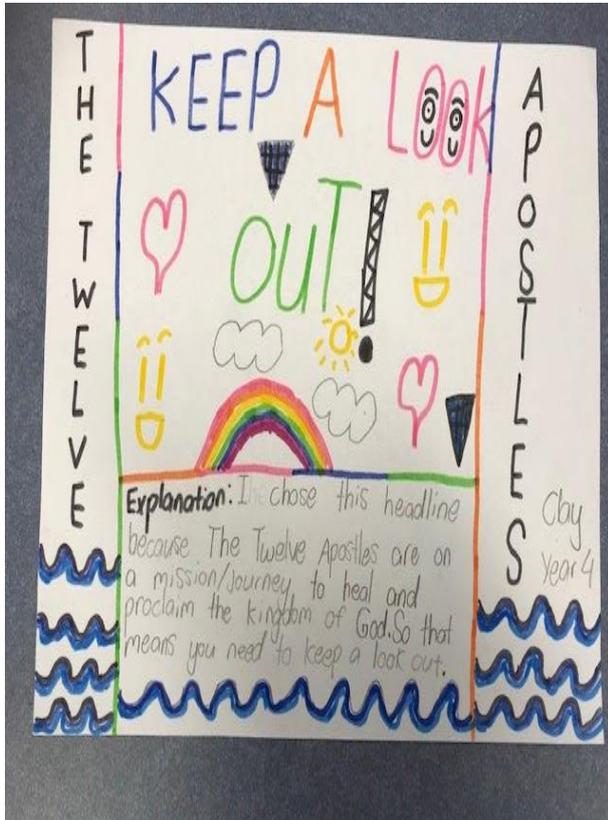

Yours sincerely,

Mrs Yvette Owens

Share the Journey means – telling your friends and family when things are a bit tough – finding others who have been through something similar – connecting with your community – finding a health professional you trust – connecting on social media – giving your pet a cuddle – organisations working together for the best possible wellbeing of everyone – sharing your stories with others – creating a sense of security within families and communities – reaching out to someone who might need your help - decreasing the isolation people feel when things aren't great.
