

## **Principal's Update**

### **Term 3 Week 5**

**18<sup>th</sup> August, 2020**

Dear Parents,

#### **Sick Children**

Thank you for your support in keeping your children home when they are sick. Given the rise of cases in schools we are being directed to be vigilant about following COVID-19 restriction guidelines. If your child has any cold or flu symptoms they should stay at home.

#### **Afternoon Pick Up**

Thank you for adhering to the process for pick up in the afternoon. We have put up a new tape separating the student's area from the path, it is still important that you stay on the path and not cut through the children. Can I also ask all parents to ensure you walk around the path and not gather around the area near the hall steps to collect your children?

#### **L.E.A.P. Learning POSTPONED**

Due to the recent changes to the COVID-19 restrictions, we have had to unfortunately postpone the LEAP Play sessions that were due to begin this week. If restrictions ease, we will hold them next term. Thank you for your understanding.

#### **School Uniform**

Can I ask that you ensure your child is in the full correct uniform please? If your child is unable to wear a piece of their uniform for any reason, such as black leather style shoes, can you please send them in with a note explaining why. Thank you.

#### **Parent Directory**

It's always great to support our own. With this in mind, we invited our families to send in their business details so we can share them with the community. We have uploaded a list of these businesses to the school website. Please note we are simply sharing these details not recommending them. If you would like to be added to this list, please don't hesitate to send us your details.

Yours sincerely,

Mrs Yvette Owens
