EARLY OR LATE ARRIVAL PARTIAL ATTENDANCE

Just a reminder of our procedures for late arrivals or early departures. If children are leaving school before 3:05pm, parents will need to come into the office to sign their child out at the Compass Kiosk, in the front office foyer. Similarly, if a child arrives after 8:45am the parent or carer will need to sign the child in at the front foyer of the office.

PERMISSION FORM CROSS COUNTRY

We are still awaiting consent for 31 children to attend Cross Country this Friday 1st March. The staff will not be making follow up calls for children to attend. If a child does not have permission on the day, they will not be able to take part. Therefore, please complete the online consent form in Compass NOW!

GOAL SETTING MEETINGS!

BOOK NOW!

I want to take this final opportunity to send my congratulations to Mrs. Scott and her husband on the arrival of their new addition, Arlo. We wish the family lots of joy and happiness as they welcome this precious bundle of joy into their lives. It was heartwarming to hear and see photos of Arlo's big sister enjoying the special moments of spoiling her new baby brother. May the family be filled with love and cherished moments as they embark on this new chapter together!

Peace and blessings to all.
